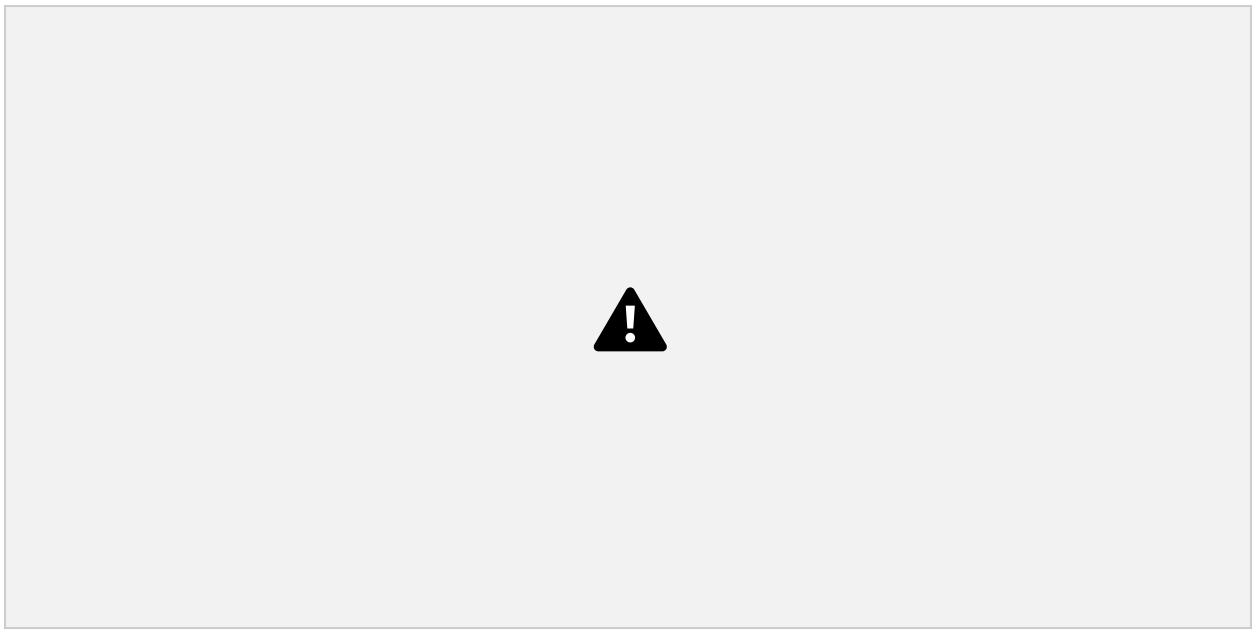
What is the Second EDT Lesson?

The purpose of the Second EDT Lesson is to help the learner develop better vehicle control, better observation skills, and better decisions with regard to safety when driving. 2 EDT Lessons in Dundalk (Manual & Automatic) – €95. In this lesson, your instructor will take you to real driving conditions so as to make you feel more comfortable behind the wheel. This is an important step back from learning the basics of driving a car (controlling the vehicle) to learning to drive a vehicle safely on a daily basis.



What You Will Learn in EDT Lesson 2

The objectives of the Second EDT lesson include:

- Enhancing vehicle control and achieving smooth steering
- Correctly utilising mirrors and learning observation techniques
- -Proper lane positioning
- Determining your speed appropriately for the traffic conditions

- Anticipating and responding to potential road hazards
- Making intelligent choices when driving amongst other cars

These skills are crucial for building up your safe driving habit and will set you up well for more advanced skills.2 EDT Lessons in Dundalk (Manual & Automatic) – €95.
